PROFESSIONAL SUMMARY

Computer Science & Engineering graduate (BAIUST, 2025) who builds on both sides of the screen: full-stack web development with PHP and MySQL, digital marketing, and professional photography. Currently Media & Social Media Executive at Edumax IELTS Center, where I also built the institute's online management system. Founder of Talukder Photography and Capture Crown, and co-founder of Korra Marketing Agency. Seeking a software engineering role where technical skill and an entrepreneurial mindset both count.

WORK EXPERIENCE

Media & Social Media Executive
2026 – Present

Edumax IELTS Center and Consultancy, Cumilla · Full-time

- Run the institute's media and social media channels: content planning, campaigns and performance tracking.
- Built the Edumax Management System, moving admissions, attendance, class, teacher and result management from paper to one online platform.

Co-founder
2026 – Present

Korra Marketing Agency

- Plan and run marketing campaigns for businesses, from strategy and content to Facebook and Instagram ads.
- Designed and built the agency's website.

Owner & Founder, Creative Director
2024 – Present

Capture Crown · Creative branding studio

- Lead visual storytelling, mood boards, brand identities and promotional campaigns for business clients.
- Direct creative shoots producing content for social media and digital advertising.

Human Resource Information Specialist (HRIS)
2024

DOT-iT · Part-time

- Kept employee records and the HR database accurate; handled attendance and payroll data and produced HR reports.

Freelance Web Developer
2023 – Present

Self-employed · Fiverr

- Build responsive, cross-browser websites with HTML5, CSS3, JavaScript, PHP and MySQL, with ongoing maintenance and performance work.

Freelance Digital Marketer
2022 – Present

Self-employed · Fiverr

- Ran 50+ Facebook and Instagram ad campaigns backed by market research; best campaigns delivered 2,500+ leads and 1M+ views.

Owner & Founder
2021 – Present

Talukder Photography

- Photographed 500+ shoots and events, including 100+ weddings, plus corporate events and portraits.
- Handle the full workflow: planning, shoot direction, post-processing and client delivery; 300+ clients served across all work.

PROJECTS

Edumax Management System
PHP · MySQL

- Online system for admissions, attendance, classes, teachers and results, replacing the institute's offline process. Live and in daily use at admission.dawaghor.com.

Taste of Bangladesh
HTML · JavaScript · Firebase

- Live web app where users mark famous foods from all 64 districts and download a personal food map (taste-of-bangladesh-nine.vercel.app).

Dawaghor: Medicine E-Commerce
HTML · CSS · JS · PHP · MySQL

- Product catalog, cart and secure checkout designed for non-technical users.

Talukder Villa: Tenant Management System
HTML · CSS · JS · PHP · MySQL

- Tenant records, rent tracking and admin reports.

Korra Marketing Agency Website
HTML · CSS · JS · PHP

- Agency site with services, case studies and contact flow.
